

One Year Voluntary Service with ConAct – Coordination Center German-Israeli Youth Exchange

ConAct – Coordination Center German-Israeli Youth Exchange is the federal organization working in the field of youth contacts between Germany and Israel nationwide. Its main task is to fund German-Israeli youth and professional exchange programs and to advise the organizations during the different stages of the partnership.

The placement

ConAct supports the creation of new German-Israeli partnerships and provides educational tools for the implementation of successful and meaningful youth exchange programs. These programs offer a valuable experience for young people in both countries and allow social learning processes on an individual and a collective level. Furthermore ConAct administers the federal funds for German-Israeli youth exchange projects.

Topics, such as commemoration and remembrance, but also identity, diversity, environment or digitalization are only some of the topics which youth groups in Germany and Israel deal with. The Guidebook “Plan Together – Experience Exchange” (www.ConAct-org.de/guidebook) might help you to get a better understanding on topics and dynamics of German-Israeli youth exchange projects.

ConAct works on behalf of the German Federal Ministry of Education, Family Affairs, Senior Citizens, Women & Youth, and is structurally connected to the Protestant Academy in the city of Lutherstadt Wittenberg. ConAct’s official partner in Israel is the Israel Youth Exchange Authority in Tel Aviv.

The office of ConAct is situated in the old town hall of the historic city of **Lutherstadt Wittenberg**, famous for its close connection with Martin Luther and the Protestant Reformation. The city has approx. 50.000 inhabitants. Distance by train to Berlin: 40 minutes. Distance by train to Leipzig: 30 minutes.

ConAct hosts one volunteer from Germany and one volunteer from Israel parallel per year since 2013. We are currently looking for a volunteer from Israel to start in October 2026!

A volunteer service with ConAct offers engagement in the exciting field of international youth work between Germany and Israel as well as the participation and potential involvement in running projects for professionals and young people (seminars, events, exchange programs etc.). Each volunteer creates an own project within the scope of our activities and implements it throughout the volunteer year. The work of the volunteer takes place mostly in the ConAct office, therefore the volunteer lives in Lutherstadt Wittenberg.
