

The Match-Making Program

NEW EXCHANGE PARTNERSHIPS 2021

The Match-Making Program: New Exchange Partnerships 2021 Part II: April 24–29, 2022 in Ramat Gan, Israel

For 15 years, **ConAct – Coordination Center for German-Israeli Youth Exchange** together with the **Israel Youth Exchange Authority (IYEA)** are organizing the annual Match-Making Program, which brings together and support new partnerships for German-Israeli youth and professionals exchange. In the past year, interested youth organizations were matched with suitable organizations in the other country. In November the new partnerships participated together in a first seminar in Berlin and took part in the conference “Setting the Sails to 2022”. Now, the new matches are invited to the second part of the seminar in Ramat Gan, Israel.

During the seminar the new partnerships will have the chance to continue the planning process for their exchange projects in 2022, on the spot and with the support of ConAct and the IYEA. In workshops the group will learn about new educational approaches that can be adopted for the future projects. In field trips the group will visit the cities of Jerusalem and Tel Aviv, where a guide will introduce the cities and explain the special meaning in Israeli society. In Jerusalem the trip includes a visit and guided tour in the Holocaust Remembrance Center Yad Vashem. As the seminar will take place during the Israeli Holocaust Remembrance Day (Yom HaShoah) the group will attend a memorial ceremony, commemorating the victims of the Shoah.

During one day the Israeli partners will invite the counterparts from Germany to visit the Israeli organizations and to get-to-know their structures in the country.

Looking forward to seeing you again soon!
