

The Match-Making Program

NEW EXCHANGE PARTNERSHIPS 2021

The Match-Making Program: New Exchange Partnerships 2021 **Part II: Mai 15–20, 2022 in Kfar Saba, Israel**

For 15 years, **ConAct – Coordination Center for German-Israeli Youth Exchange** together with the **Israel Youth Exchange Authority (IYEA)** are organizing the annual Match-Making Program, which brings together and support new partnerships for German-Israeli youth and professionals exchange. In the past month, interested youth organizations were matched with suitable organizations in the other country. In December they could meet in the first part of the Match-Making. Now the partner organizations are invited to the second part of the seminar in Israel.

In the past, the Match-Making Program was mainly open to youth organizations from the non-formal sector. This year, **ConAct** and the **IYEA** are cooperating with the **Pedagogical Exchange Service (PAD)**, the specialized institution in Germany for formal youth exchange. Therefore we are happy that this year several school partnerships will be involved in the Match-Making Seminar.

The event from 15.–20.05. will be the second part of the Match-Making Seminar. During the four days we will deal with topics relevant for German-Israeli youth contacts and get impulses for organizing future exchange projects. Also we will visit Tel Aviv and Jerusalem, with its holy sites and the National Memorial Center Yad Vashem. And of course: One day the participants from Germany will visit the Israeli partner organizations/schools and continue to plan their projects.

Looking forward to seeing you again soon!
