

# The Match-Making Program

## NEW EXCHANGE PARTNERSHIPS 2021

Date: 19.–21. April 2021

Place: Digital Meeting on Zoom

ConAct and the Israel Youth Exchange Authority invite to the Match-Making Program – New Exchange Partnerships 2021 in order to continue the process of establishing new partnerships between German and Israeli organizations for youth projects and the exchange of professionals. After a first digital meeting last year and before a physical seminar in Germany and in Israel, we want to meet for an interactive digital seminar. It will involve Inputs on the context of German-Israeli youth exchange, working sessions in small groups and interactive workshops to get to know educational methods for international youth exchange.

An active participation is required for the seminar.

### Language

### What to bring?

Please bring a small object, that is connected to your work and can be shown in a round of introduction.

**Your Presence is important!** The seminar follows a certain concept. Please do not drop in and out during its course. This will disturb our shared working process. Please come and stay for the whole time.

**Prepare for active participation!** Our digital meeting will be just as fruitful and inspiring as its participants – please show your active attention to other speakers at all times.

**Breaks will come!** We will be offering breaks during the program. At the end of each day there will be the option for casual coffee bar talks.
